# P/N 04142-0x01-000-01

Adjustable Height Stationary Heated  
Workholder for substrates and flat  
packages up to 2" x 2

# P/N 04142-0x26-000-01

Adjustable Height Stationary Heated  
Workholder With Vacuum And Mechanical  
Hold Down For Packages And Substrates  
Up To 4" X 4"

# P/N 04142-0x04-000-01

Adjustable Height Stationary Heated  
Workholder With 0.1" Slots 0.4" Deep For  
Packages Up To 2" X 2"

# P/N 04142-0x11-000-01

Adjustable Height Stationary Heated  
Workholder With Vacuum And Mechanical  
Hold Sown For Packages And Substrates  
Up To 2" X 2"

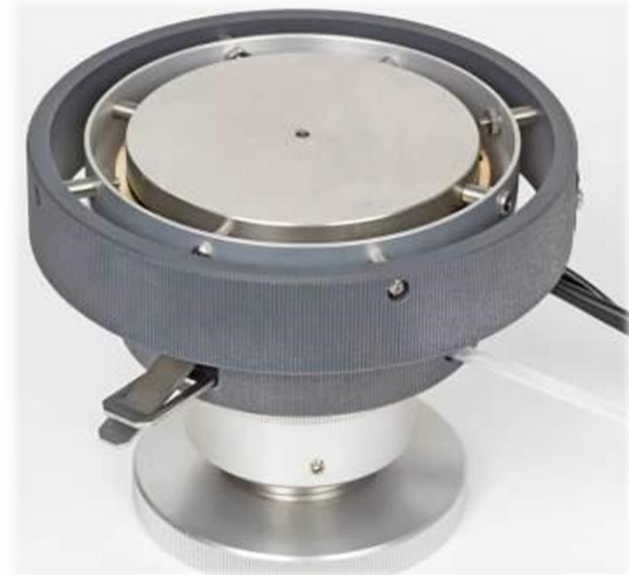

# P/N 04135-0x06-000-01

Adjustable Height Rotary Universal  
Workholder With .1" Centerline Slots,  
.35" Deep

# P/N 04135-0x05-000-01

Adjustable Height Rotary Heated  
Workholder With Vacuum Hold Down For  
Packages And Substrates Up To 2.5" X 2.5"

# P/N 04142-5215-000-00

Height Adjustable Workholder For 4"  
And 8" Wafers With Vacuum

# P/N 04142-5264-000-00

Height Adjustable Workholder For To  
Vertical & Horizontal Wire Bonding

# P/N 04142-0x17-000-01

Adjustable Height Stationary Heated  
Workholder For Substrates And Flat  
Packages Up To 4" X 4"

# P/N 04142-0x15-000-01

Adjustable Height Stationary Heated  
Workholder For To-8(0.5") Dual Station

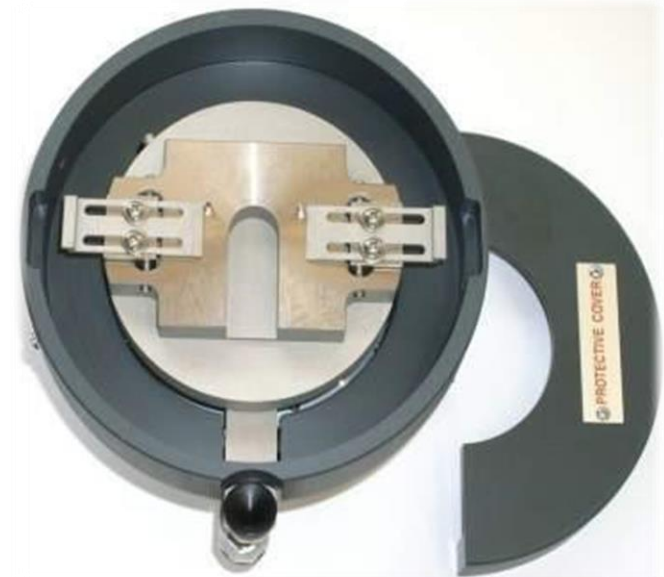

# P/N 04142-0x13-000-01

Adjustable Height Stationary Heated  
Workholder For To-5 Dual Station

# P/N 04142-0x09-000-01

Adjustable Height Stationary Heated  
Workholder For To-3 Single Station

# P/N 04142-0x03-000-01

Adjustable Height Stationary Heated  
Workholder For 14-40 Leads 0.300" And  
0.600" Centerline& Horizontal Wire  
Bonding

# P/N 04135-0x01-000-01

Adjustable Height Rotary Heated  
Workholder For Substrates And Flat  
Packages Up To 2.5" X 2.5"

# P/N 04142-5191-000-01

6" X 6" Workholder For Flat Packages,  
220v

# P/N 04500-0815-000-00

External W.H. Heat Controller

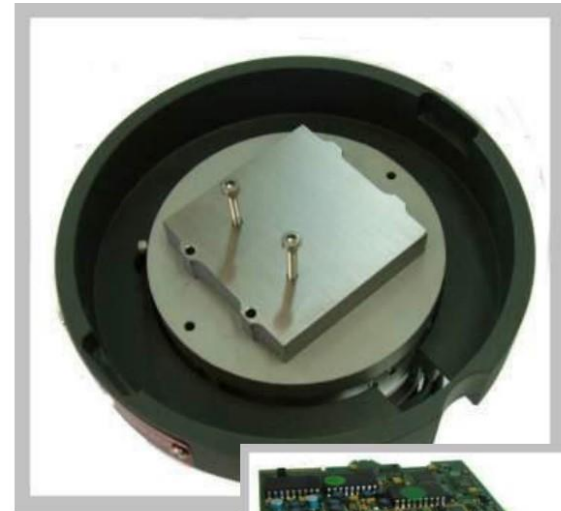

# P/N 04135-5037-000-00

Adjustable Height Rotary Heated Modular Workholder; Addable Inserts Designed To Specific Applications, Per Customer' Device And Production (Includes Propriety Standard Design)

# P/N 04142-5265-000-00

Height Adjustable Workholder For PCB  
6x6 220V

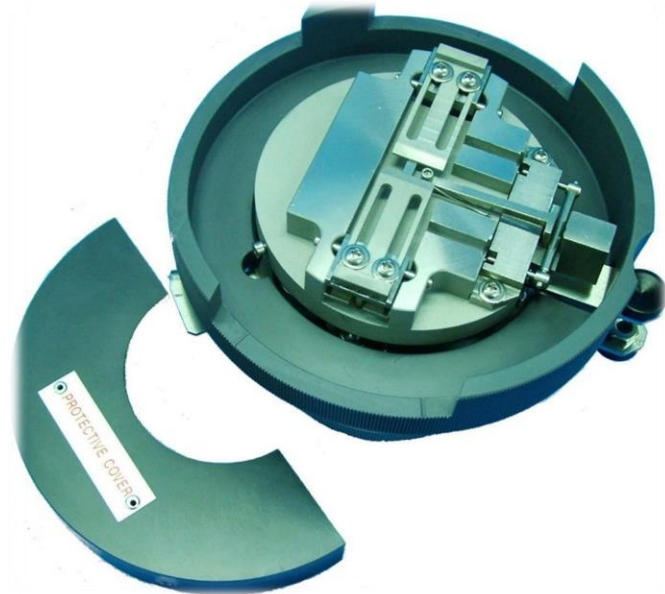

# P/N 04135-5038-000-00

Adjustable Height Rotary Workholder For  
Tube Sensors

# P/N 04142-5189-000-00

## Horizontal Clamping TO-56 Headers

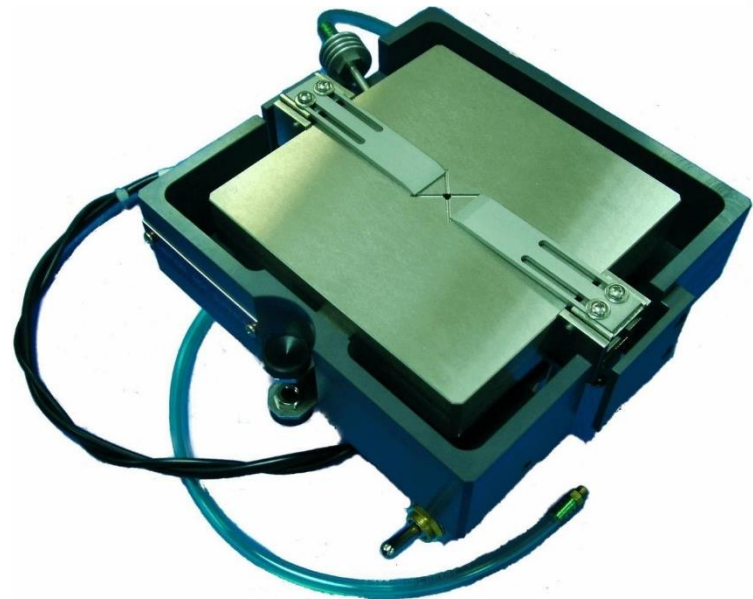

# P/N 04142-5221-000-00

4" X 4" Vacuum Workholder With Cavity

# P/N 04142-5222-000-00

4" X 4" Adjustable Height Heated  
Workholder W/Vacuum Cross For 110v And  
36" Harness

# P/N 04142-0x05-000-01

Adjustable Height Stationary Heated  
Workholder With Vacuum Hold Down For  
Packages And Substrates Up To 2" X 2"

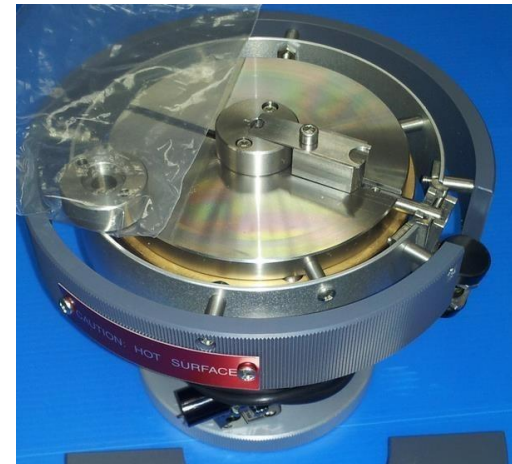

# P/N 04142-5213-000-00

Adjustable Height Stationary Heated  
Workholder For TO-46 And TO-39

# P/N 04135-5040-000-00

Adjustable Height Rotary Heated Long Leg  
Modular Workholder Modular Inserts  
Designed To Specific Applications, Per  
Customer's Device Requirements. Accepts TO  
S With Long Legs.

# P/N 04142-5267-000-00

Adjustable Height Heated Workholder  
With Pedestals For Stability

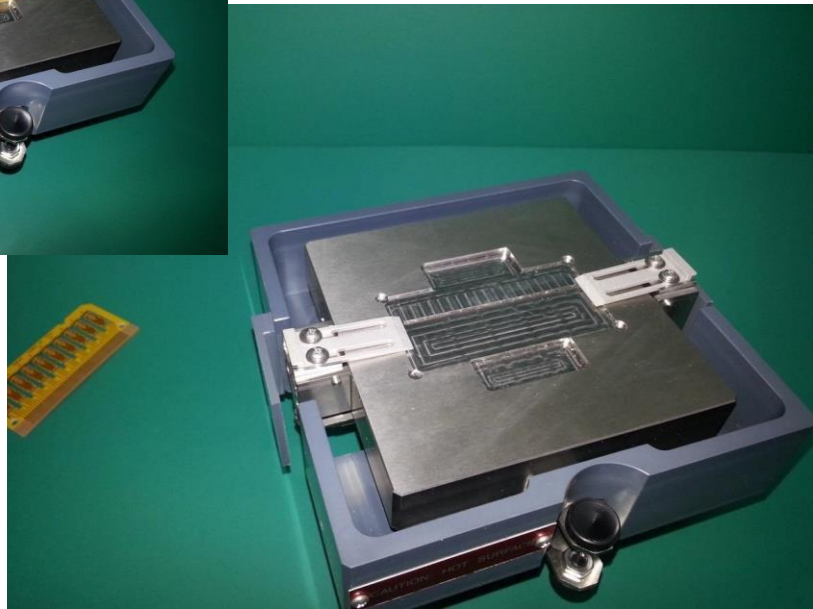

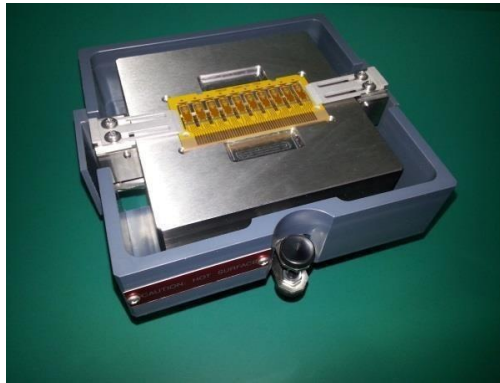

# P/N 04142-5203-000-00

Workholder For Flexible Device

# P/N 04142-5225-000-00

## Chip On Flex Substrate Workholder

# P/N 04142-5218-000-00

Adjustable Height Heated Workholder  
With Vacuum Hold Down 8" Aluminum
